**GIRLS TOURNAMENT FORMAT (MLHS Maroon Gym- 2 mats):**

This 8-person bracket or round robin tournament will be for High School GIRLS ONLY. All wrestlers in the Unlimited weight class must be within thirty (30) pounds of each other). Girls will either be seeded into a modified-double elimination bracket or be seeded into weight class pools as numbers of participants allow. All wrestlers will weigh-in Saturday, regardless of seed. Each wrestler must have a school-approved coach/personnel in their corner, with a maximum of 2. **Bout times are approximate and may be altered by the tournament director.** It is a wrestlers responsibility to be ready to wrestle and will need to listen to the PA announcer for their mat assignments.
